## Good Neighbor Policies (and good information) (Overnight/Weekly)

Thank you for choosing to stay in our park while in Mobile.

1. Daily payment maybe by cash or credit card. Weekly payment maybe by credit card or money order. We do not accept cash for weekly payment.
2. Quiet time is 10PM to 8 AM. You'll find we are never noisy, but especially during these hours.
3. Check out time is 12: Noon. Thereafter, please pay day use fee of \$10.00.
4. The laundry is always open. We clean the lint filters after our use of the dryer.
5. Smoking is prohibited in any park building and within 25 feet thereof. You'll note there are no "butts" on the ground.
6. Place trash in plastic bags before placing in trash bins.
7. When your dog is outside, be with your dog, which is to be on a leash or in a pen. When you walk your dog (on leash) on the one acre lawn at the front of the park, clean up after your dog. No one likes to step in dog waste. If you forget your bag, don't forget to go back to get it after returning your dog to your RV. For this, the campground manager/owner is a stickler. He believing there are no bad dogs, only bad owners.
8. Only two (2) solid things go down the toilet – your RV's or the Park toilet (human waste and toilet paper). Some of the sewer lines are buried 13 feet below grade, and any stoppage can be very expensive.
9. Wi-Fi is identified as City RV Park. There is a password. Aluminum and steel act as a shield. If you are having problems, try moving about in your RV.
10. Please keep the volume of your TV or radio within the confines of your RV. Likewise, no loud car radios within the park.
11. Vehicle washing can be done in the park for a fee of \$5.00 per car and \$10.00 per RV. (Exception: Long term RV residents are required to wash their RVs at least twice (2X) a year.)
12. As you plug-in, cable will provide basic service. Enhanced service (60 channels) is available with \$35.00 converter deposit. If you need help setting up the converter, there is a \$25.00 labor charge.
13. Motorcycles - Harley Davidson cycles may be ridden within the park between 8 am and 8 pm. At all other times, H-D cycles must be pushed, without the motor running, into or out of, the park, Other brands of cycles are permitted to be operated, with motor running, within the park, so long as they are quiet - Honda's, Triumph's, etc. Specific cycles will be determined on a case-by-case basis.
